## About the White River Light Station

The White River Light Station Museum is located in Whitehall, Michigan on the White River channel overlooking Lake Michigan.

We are only 30 minutes north of Muskegon and just outside the charming towns of Montague and White Hall. In addition to the museum, there is much to see and do in the immediate area. Fishing, water sports, picnicking and lazy days on the beach are just a few. Also, there are many other historical items of interest nearby.
